

KW-50

The classic Carpigiani whipped cream dispenser

Performance and Quality Carpigiani Patented Texturizer rapidly mixes in air for the ideal whipped cream. Pump can be adjusted to change the amount of air incorporated into the product. Works with heavy cream as well as non-dairy creams. Flavors can be added directly to cream, such as vanilla, chocolate, seasonal flavors & more.

Convenience Operated by simple push button Self-contained, does not require any plumbing hook-ups and can be easily moved to different locations. Requires minimal countertop space. Includes Drip collector to avoid mess.

Hygiene Tank drain makes it easy to clean and sanitize in just minutes. Product keeps optimal freshness for 24 hours under refrigeration.
